

Patheon[®]

MAXIMIZES THE PERFORMANCE OF YOUR CAR WASH INVESTMENTS

More than a POS platform, Patheon can revolutionize your operations, help you ramp your investments quickly and grow revenue, all while providing an elevated consumer experience.

From smart widgets that guide you to make changes on the fly, to built-in churn prevention tools and the insights that drive informed business decisions, Patheon was designed so you can do more from day one.

Operational Efficiency

Patheon empowers your workforce, ramps new team members faster, streamlines set-up, support and maintenance, and simplifies daily interactions.

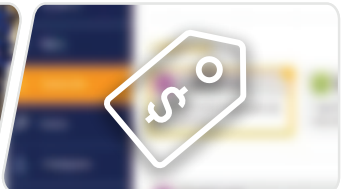

New configuration set up in as little as 5 minutes

Train employees in a few hours

Real-time changes without a Scheduled Services appointment

Simplified user interface to manage pricing, discounts, and plan wash operations

Scalability

Patheon not only supports your current goals but also prepares you for future opportunities, ensuring that technology never limits your ambitions.

- Fast new location onboarding with rapid cloning.
- Data available at all locations in seconds.
- Eliminates the need for regular data deletions and database cleanup.
- Modern data backup and disaster recovery.

Maximize Revenue Potential

Patheon empowers you to get the most out of your members and retail customers while enhancing throughput.

- PAYG (Pay as you Go) gives retail customers the membership experience.
- Drive revenue with multi-vehicle plans and pricing.
- Store multiple cards on file and easily reactivate and manage plans.
- XPT staff screens designed for fast customer service and throughput.

Enhanced Consumer Experience

Patheon was purposely designed to create meaningful and memorable interactions that solidify your brand's reputation.

Faster checkout with direct link to plans

Consumers empowered to add information themselves

Add/delete plans, store backup payments and create new discounts through the EWA

Operators empowered with real-time data & analytics to anticipate consumers' needs

Patheon®

Maximizes the performance of your car wash investments
